## Getting Ready for the Games

Here, in Guadalajara, Centro Histórico is getting a facelift. In fact, a lot of Guadalajara is getting some much needed attention. The reason is the Pan American Games in 2011. Yes, they are to be held here in the City of Roses and home of Tequila.

The street, Lopez Costilla, for example, is being repaved with concrete. Naturally, they are also building housing for the athletes, as well as improving other areas. If you want to see the Pan American Games, then plan accordingly.
